

# Houseplants and Gardens

*Molasses Kings Plant Juices* are first and foremost focused on delivering the ideal amount of Molasses to your plant and soil systems.

## The 3 Kings Program

### *Houseplants and Gardens*

- Mix 4oz of each Molasses Kings Plant Juice into 1 gallon of water.
- Apply the mixture around the rootzone of approximately 8-12 plants depending on size of each plant, along with this site specific soil and environmental conditions.

**Contact Molasses Kings for home package options!**

**Contact us at any time to discuss your program!**
